## Report on review of interim condensed consolidated financial information

To the board of directors of  
Noor Financial Investment Company – KPSC  
Kuwait

### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Noor Financial Investment Company KPSC (the “Parent Company”) and its subsidiaries (together “the Group”) as of 30 September 2022 and the related interim condensed consolidated statements of profit or loss and profit or loss and other comprehensive income for the three-month and nine-month periods then ended, and the interim condensed consolidated statements of changes in equity and cash flows for the nine-month period then ended.

Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

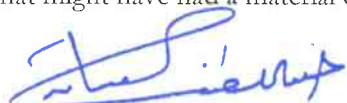

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in Note 2.

### **Report on review of other legal and regulatory requirements**

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, no violation of the Companies Law No. 1 of 2016 and its Executive Regulations, or of the Parent Company’s Memorandum of Incorporation and Articles of Association, as amended, have occurred during the nine-month period ended 30 September 2022 that might have had a material effect on the business or financial position of the Parent Company.

We further report that, to the best of our knowledge and belief, no violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, or of the provisions of law No. 7 of 2010 regarding the Capital Markets Authority and its relevant regulations have occurred during the nine-month period ended 30 September 2022 that might have had a material effect on the business or financial position of the Parent Company.

## 2 Basis of preparation

This interim condensed consolidated financial information of the Group for the nine-month period ended 30 September 2022 has been prepared in accordance with IAS 34 “Interim Financial Reporting”. The accounting policies used in the preparation of this interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2021 except for the changes described in note 3.

## Notes to the interim condensed consolidated financial information (continued)

### 2 Basis of preparation (continued)

The annual consolidated financial statements for the year ended 31 December 2021 were prepared in accordance with the International Financial Reporting Standards (“IFRS”) promulgated by the International Accounting Standards Board (“IASB”), and Interpretations issued by the International Financial Reporting Interpretations Committee (“IFRIC”) of the IASB, as modified for use by the Government of Kuwait for financial services institutions regulated by the Central Bank of Kuwait (“CBK”). The modification requires adoption of all IFRSs for such institutions except for the IFRS 9 requirement for measurement of expected credit losses (“ECL”) for credit facilities. The CBK requires to measure the provision for credit losses at the higher of provision calculated under IFRS 9 in accordance with the CBK guidelines, and the provision required by the prudential regulations of the CBK.

The interim condensed consolidated financial information has been presented in Kuwaiti Dinars which is the functional and presentation currency of the Parent Company.

The interim condensed consolidated financial information does not include all information and disclosures required for complete financial statements prepared in accordance with the International Financial Reporting Standards. In the opinion of the Parent Company’s management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included.

Operating results for the nine-month period ended 30 September 2022 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022. For further details, refer to the consolidated financial statements and its related disclosures for the year ended 31 December 2021.

### 3 Changes in accounting policies

#### 3.1 New and amended standards adopted by the Group

The following new amendments or standards were effective for the current period.

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
IFRS 3 Amendment – Reference to the conceptual framework	1 January 2022
IAS 16 – Amendments – Proceeds before intended use	1 January 2022
IAS 37 – Amendments – Onerous contracts -Cost of fulfilling a contract	1 January 2022
Annual Improvements 2018-2020 Cycle	1 January 2022

#### IFRS 3 – Reference to the conceptual framework

The amendments add a requirement that, for obligations within the scope of IAS 37, an acquirer applies IAS 37 to determine whether at the acquisition date a present obligation exists as a result of past events. For a levy that would be within the scope of IFRIC 21; Levies, the acquirer applies IFRIC 21 to determine whether the obligating event that gives rise to a liability to pay the levy has occurred by the acquisition date. The amendments also add an explicit statement that an acquirer does not recognise contingent assets acquired in a business combination.

The adoption of the amendments did not have a significant impact on the Group’s interim condensed consolidated financial information.

#### 3.1 New and amended standards adopted by the Group

##### IAS 16 Amendments - Proceeds before intended use

The amendment prohibits an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the entity is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss.

The adoption of the amendment did not have a significant impact on the Group's interim condensed consolidated financial information.

##### IAS 37 Amendments – Onerous contracts- Cost of fulfilling a contract

The amendments specify which costs an entity includes when assessing whether a contract will be loss-making.

The amendments clarify that for the purpose of assessing whether a contract is onerous, the cost of fulfilling the contract includes both the incremental costs of fulfilling that contract and an allocation of other costs that relate directly to fulfilling contracts.

The amendments are only to be applied to contracts for which an entity has not yet fulfilled all of its obligations at the beginning of the annual period in which it first applies the amendments.

The adoption of the amendment did not have a significant impact on the Group's interim condensed consolidated financial information.

##### Annual Improvements 2018-2020 Cycle

Amendment to IAS 1 simplifies the application of IFRS 1 by a subsidiary that becomes a first-time adopter after its parent in relation to the measurement of cumulative translation differences. Subsidiary that is a first-time adopter later than its parent might have been required to keep two parallel sets of accounting records for cumulative translation differences based on different dates of transition to IFRSs. However, the amendment extends the exemption to cumulative translation differences to reduce costs for first-time adopters.

Amendment to IFRS 9 relates to the '10 per cent' Test for Derecognition of Financial Liabilities – In determining whether to derecognise a financial liability that has been modified or exchanged, an entity assesses whether the terms are substantially different. The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability.

Amendment to IFRS 16 avoids the potential for confusion in applying IFRS 16 Leases because of how Illustrative Example 13 accompanying IFRS 16 had illustrated the requirements for lease incentives. Before the amendment, Illustrative Example 13 had included as part of the fact pattern a reimbursement relating to leasehold improvements; the example had not explained clearly enough the conclusion as to whether the reimbursement would meet the definition of a lease incentive in IFRS 16. The IASB decided to remove the potential for confusion by deleting from Illustrative Example 13 the reimbursement relating to leasehold improvements.

The adoption of the amendments did not have a significant impact on the Group's interim condensed consolidated financial information.

#### 3.2 IASB Standards issued but not yet effective

At the date of authorisation of this interim condensed consolidated financial information, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the Group.

Management anticipates that all of the relevant pronouncements will be adopted in the Group's accounting policies for the first period beginning after the effective date of the pronouncements. Information on new standards, amendments and interpretations that are expected to be relevant to the Group's interim condensed consolidated financial information is provided below. Certain other new standards and interpretations have been issued but are not expected to have a material impact on the Group's interim condensed consolidated financial information.

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
IFRS 10 and IAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments	No stated date
IAS 1 Amendments- Classification of current and non-current	1 January 2023
IAS 1 Amendments- Disclosure of accounting policies	1 January 2023
IAS 8 Amendments- Definition of accounting estimates	1 January 2023

#### ***IFRS 10 and IAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments***

The Amendments to IFRS 10 Consolidated Financial Statements and IAS 28 Investments in Associates and Joint Ventures (2011) clarify the treatment of the sale or contribution of assets from an investor to its associate or joint venture, as follows:

- require full recognition in the investor's financial statements of gains and losses arising on the sale or contribution of assets that constitute a business (as defined in IFRS 3 Business Combinations)
- require the partial recognition of gains and losses where the assets do not constitute a business, i.e. a gain or loss is recognised only to the extent of the unrelated investors' interests in that associate or joint venture.

These requirements apply regardless of the legal form of the transaction, e.g. whether the sale or contribution of assets occurs by an investor transferring shares in a subsidiary that holds the assets (resulting in loss of control of the subsidiary), or by the direct sale of the assets themselves.

IASB has postponed the effective date indefinitely until other projects are completed. However, early implementation is allowed. Management anticipates that the application of these amendments may have an impact on the Group's consolidated financial statements in future should such transactions arise.

#### **IAS 1 Amendments - Classification of current or non-current**

The amendments to IAS 1 clarify the classification of a liability as either current or non-current is based on the entity's rights at the end of the reporting period. Stating management expectations around whether they will defer settlement or not does not impact the classification of the liability. It has added guidance about lending conditions and how these can impact classification and has included requirements for liabilities that can be settled using an entity's own instruments.

## Notes to the interim condensed consolidated financial information (continued)

### 3 Changes in accounting policies (continued)

#### 3.2 IASB Standards issued but not yet effective

##### IAS 1 Amendments - Classification of current or non-current (continued)

Management does not anticipate that the adoption of the amendments in the future will have a significant impact on the Group's interim condensed consolidated financial information.

##### IAS 1 Amendments – Disclosure of accounting policies

The amendments to IAS 1 require entities to disclose material accounting policies instead of significant accounting policies. The amendments clarify that accounting policy information may be material because of its nature, even if the related amounts are immaterial.

Management does not anticipate that the adoption of the amendments in the future will have a significant impact on the Group's interim condensed consolidated financial information.

##### IAS 8 Amendments – Definition of accounting estimates

The amendments to IAS 8 inserted the definition of accounting estimates replacing the definition of a change in accounting estimates. Accounting estimates are now defined as monetary amounts in financial statements that are subject to measurement uncertainty.

Management does not anticipate that the adoption of the amendments in the future will have a significant impact on the Group's interim condensed consolidated financial information.

### 4 Judgement and estimates

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2021.

### 5 Basic & diluted earnings per share attributable to the owners of the Parent Company

Basic and diluted earnings per share is calculated by dividing the profit for the period attributable to the owners of the Parent Company by the weighted average number of shares outstanding during the period as follows:

	Three months ended		Nine months ended	
	30 Sept. 2022 (Unaudited)	30 Sept. 2021 (Unaudited)	30 Sept. 2022 (Unaudited)	30 Sept. 2021 (Unaudited)
Profit for the period attributable to the owners of the Parent Company (KD)	4,681,658	4,717,426	14,326,035	13,535,907
Weighted average number of shares outstanding during the period (excluding treasury shares)	509,222,655	495,070,535	509,222,655	494,162,597
<b>Basic and diluted earnings per share (Fils)</b>	<b>9.19</b>	<b>9.53</b>	<b>28.13</b>	<b>27.39</b>

The comparative weighted average number of shares for the calculating of basic and diluted earnings per share has been adjusted to reflect the bonus shares for the year ended 31 December 2021 (note 21). Earnings per share for the three-month and nine-month periods ended 30 September 2021 were 11.91 fils and 34.24 fils, respectively, before retroactive adjustment.

#### 18.2 Fair value hierarchy for financial instruments measured at fair value

The following table presents the financial assets which are measured at fair value in the interim condensed consolidated statement of financial position in accordance with the fair value hierarchy.

This hierarchy Groups financial assets and liabilities into three levels based on the significance of inputs used in measuring the fair value of the financial assets and liabilities. The fair value hierarchy has the following levels:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: Inputs for assets or liabilities that are not based on observable market data (unobservable inputs).

The level within which the financial asset or liability is classified is determined based on the lowest level of significant input to the fair value measurement.

### 19 Contingencies

On 1 December 2011, the Parent Company's Jordanian subsidiary, Noor Jordanian Kuwaiti Financial Investment Company Limited ("the Seller") disposed of its entire equity interest in one of its Jordanian subsidiaries (Noor Jordan Kuwait Transport Company JSCC) to nine individual buyers ("the Buyers"). Subsequent to the transfer of shares and control to the Buyers, they filed a case against the Seller claiming misrepresentation in valuing subsidiary's net assets. The subsidiary's management and legal advisor believe that the favourable decision of the court is probable. Therefore, no provision for any effects that may result has been made in this interim condensed consolidated financial information.

At the reporting date the Group had contingent liabilities with respect to outstanding bank guarantee amounting to KD4,183,477 (31 December 2021: KD3,898,488 and 30 September 2021: KD3,800,491).

### 20 Fiduciary assets

The Group manages mutual funds and portfolios on behalf of its Ultimate Parent Company, other related parties and outsiders, and maintains securities in fiduciary accounts which are not reflected in the Group's interim condensed consolidated statement of financial position. Assets under management at 30 September 2022 amounted to KD27,756,698 (31 December 2021: KD27,285,502 and 30 September 2021: KD27,076,481) of which assets managed on behalf of its Ultimate Parent Company and other related parties amounted to KD20,426,991 (31 December 2021: KD20,190,819 and 30 September 2021: KD20,087,881).

### 21 Annual general assembly

The Annual General Assembly of the shareholders of the Parent Company held on 6 April 2022 approved the consolidated financial statements for the year ended 31 December 2021 and the board of directors' proposal to distribute a cash dividend to shareholders equivalent to 6 fils per share amounting to KD2,444,286 (31 December 2020: 6 fils per share amounting to KD2,369,795) and bonus shares of 25% (31 December 2020: Nil) for the year ended 31 December 2021 and an amount of KD162,000 (31 December 2020: KD165,000) as directors' remuneration for the year ended 31 December 2021.

### 22 Wakala investments

Wakala investments of KD14,324,160 placed with a local Islamic investment company matured in the last quarter of 2008. The investee company defaulted on settlement of these balances on the maturity date. However, revised maturity dates were stipulated by the court. The investee company again defaulted the payment of 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> instalments due in September 2014, 2015, 2016 and 2017, respectively. Full provision was made for the receivable in accordance with the Central Bank of Kuwait provision rules. The Group initiated various legal cases against the investee company, which were decided in favor of the Group. During the year 2019, the Parent Company signed a settlement agreement with the investee company under which 50% shares of a local unlisted company (acquired company) were transferred to Parent Company. The acquired company is pursuing legal procedures in order to implement its rights in accordance with a certain judgement of the Court of Cassation.

During the period, the Court of First Instance issued a ruling obligating the counterparty to implement the judgment issued by the Court of Cassation and to return 50,504,513 shares of Boubyan Bank and an amount of KD386,294 to the acquired company. In return the acquired company had to pay an amount of KD20,718,096 to the counterparty, which represents the contractual value of these shares plus commissions, fees and interest. Furthermore, during the period, the Court of Appeal upheld the verdict issued by the Court of First Instance but cancelling a part of the amount to be repaid by the acquired company by KD6,416,324 to be KD14,301,772. This verdict shall be subject to the Court of Cassation. Management of the Parent Company believes that the financial impact of this transaction will be adjusted upon completion of the legal proceedings.
